

6 March 2015

**European Day of
Speech and
Language
Therapy
2015**

Acquired neurological communication disorders

***"Communication is everything:
Speech and Language Therapy is the key"***

The Association of Speech-Language Pathologists (ASLP), in collaboration with the Speech-Language Department (SLD), is organising a special event to create awareness on:

Acquired neurological communication disorders resulting from conditions such as stroke, Parkinson's disease, Huntington's Chorea, head and neck cancer, dementia and Multiple Sclerosis.

Date: Friday 6 March 2015
Venue: Mater Dei Foyer
Time: 8:00 – 13:00

15 min talk for public: 'How to communicate with persons with neurological disorders' at: 9am, 10am, 11am and noon, MDH Foyer.

A talk for professionals is going to be organised by Speech-Language Pathologists and Neurologist Dr. Josanne Aquilina.

Date: Friday 6 March 2015
Venue: Boardroom, Rehabilitation Unit (Purple Section), Mater Dei Hospital
Time: 13:00 – 14:00

Book your place on info@aslpmalta.org or mobile [79427660](tel:79427660) since places are limited.
