Nuffield Dyspraxia Programme (NDP3) TRAINING WORKSHOP – MALTA

DATE: 23-24 November 2017

TIME: 8.30 TO 16.30

VENUE: To be confirmed

Overview

NDP3 Training Courses for qualified Speech Language pathologists.

The NDP3 Training Course is being brought to you in Malta by the Association of Speech Language pathologists. This course is suitable for speech and language pathologists who want to update their knowledge of developmental verbal dyspraxia and to learn about the latest edition of the Nuffield Dyspraxia Programme (NDP3). Topics include theoretical aspects, assessment, diagnostic approaches, management issues and therapy approaches. There will be lecture and workshop sessions. Participants will receive a Certificate of Attendance.

Course Tutors: Prof Pam Williams from the Nuffield Hearing and Speech Centre.

The workshop runs over 2 days. Course includes a theoretical update on Developmental verbal dyspraxia and a review of the literature, assessment and differential diagnosis. Sessions will cover intervention for developmental verbal dyspraxia / apraxia of speech in childhood. Therapy approach will include Treatment planning using NDP3.

Fees: €250 ASLP members with membership for 2017 paid or new graduates of this year.
€320 Non-Members

This includes:

- 2 Full days training and handouts of all training material
- 2 coffee breaks & Light Lunch including drinks
- Certificate of Attendance

Kindly send an email to info@aslpmalta.org by not later than **12th May** if you are interested in attending this course, applications forms and further information will be sent after that date. This is certainly a unique opportunity not to be missed.

Gertrude Buttigieg
Vice-President
