

Dear Colleagues,

I am excited to let you know that FLI Piemonte is hosting a Hanen Workshop called It Takes Two to Talk® in March 2017. The It Takes Two to Talk workshop was developed for Speech-Language Pathologists to provide them with the strategies and coaching framework to empower parents to become an effective language facilitator for their child. We believe that this is a great evidence-based professional development opportunity for our staff and professionals in the area.

The workshop is in Turin, Italy on March 23-26, 2017. **This workshop will be conducted in English.** Registration will open soon! If you are interested in attending, please sign up for email notifications by using the link below. Hanen will email you with information on special pricing discounts as soon as registration opens.

We would love to have you join us!

Hanen's It Takes Two to Talk® Certification Workshop
in [Turin, Italy on March 23-26, 2017](#)

Presented by: FLI, Federazione Logopedisti Italiani

It Takes Two to Talk is a **4-day English workshop** that offers hands-on, interactive training on **parent-implemented, family-centered early language intervention** for **Speech-Language pathologists** who work with young children with language delays (birth to 5 years) and their families.

You'll learn effective, research-based strategies for involving parents in the early intervention process to ensure the best possible outcomes for their child.

When you take *It Takes Two to Talk*, you get:

- **2.2 ASHA Continuing Education Credits or 22 Professional Development Hours**
- An effective teaching methodology for coaching parents to use responsive interaction strategies
- An overview of learning styles and principles of adult education and their application to facilitating parents' learning to be effective language facilitators
- The stages of learning in terms of self-awareness, attitude and behavior change and how to adapt the use of coaching and videotaping with feedback to each stage in order to facilitate parents' learning and application of strategies
- Guidelines for leading [It Takes Two to Talk - The Hanen Program® for Parents of Children with Language Delay](#)
- An overview of *It Takes Two to Talk's* three clusters of responsive interaction strategies - child-centered, interaction-promoting, and language modeling strategies
- A comprehensive set of resources to use within your *It Takes Two to Talk* Programs, as well as in your everyday work with families (**valued at \$270**)
- Access to the member-only *It Takes Two to Talk* Parent workbook designed specifically for use in one-to-one therapy
- A one-year, renewable Hanen membership offering ongoing opportunities to enhance your clinical skills

What Professionals Say:

“This will completely change my way of working. It has challenged some ingrained practices and I feel I have evolved as a therapist as a result.” -Hanen Certified SLT (London, UK)

“This workshop was amazing, really well structured and flowed nicely. I liked that it was interactive and we had lots of opportunities to practice.” -Hanen Certified SP (Sydney, Australia)

“As a young person and a new graduate, I feel much more confident in my ability to provide coaching for the parents that I work with.” -Hanen Certified SLP and Student Subsidy Award Winner

“Twelve families began our (It Takes Two to Talk) program with worries, doubts and a lack of confidence, wondering what they could do to help their children learn language. By the end of the program, the difference in their interactions and in their children's language levels was astounding. I never fail to be shocked by the "magic" of Hanen.” - Katie Lee, Hanen Certified SLP (United States)

A Note on English Requirements: Hanen workshops are conducted in English and a high fluency of academic level, spoken and written English is required for full participation and certification in the workshop. We have added a fourth day for this workshop to allow for some supportive translation and questions you may have regarding the material and workshop content. Participants' English must be at the required level to participate fully in the workshop.

Mandatory Pre-Workshop Assignment: This workshop includes a mandatory pre-workshop assignment to be completed in English, which covers important content needed to participate in the workshop and receive your certification. You will receive the Pre-Workshop Assignment once your registration is complete. [You can read more about it here.](#)

Registration for this workshop will open soon!

Space is limited to 16 Participants.
